UGA mentoring program honored by state

A University of Georgia College of Education professor's mentoring program, aimed at developing and nurturing academic and social excellence in young African-American males, has received a statewide multicultural award.

Gentlemen on the Move, a program developed by Deryl Bailey, an assistant professor of counseling and human development, was recently named the 2004 Multicultural Program of the Year by the Georgia chapter of the National Association for Multicultural Education.

About 40 Athens-area African-American middle and high school students participate in the current version of Gentlemen on the Move, a program that Bailey began a decade ago when he was a counselor in a North Carolina high school. Every Saturday, the boys and their parents meet on the UGA campus to study and to work on social skills. Teachers from UGA and Clarke County schools volunteer as tutors.
