'Gentleman on the Move' founder sets a great example

How refreshing to read about someone who is making a difference in our community! The Feb. 28 Close-Up [article](#) was about a real winner - Dr. Deryl Bailey, Ph.D. at UGA School of Education.

Bailey's innovative and inspirational "Gentlemen on the Move" concept is such a positive approach to helping youth achieve success and become accountable for their actions.

Having been a teacher in Georgia public schools for many years, I can attest to the importance of positive role models in the lives of young people. Bailey truly deserves the community service award and should be honored nationally as well.

Congratulations, Bailey, for your love, compassion and dedication to our community youth. May others join your efforts!
